

GigaTrade Trading, LLC
DISCLAIMER

This information is provided by GigaTrade Trading, LLC, an Introducing Broker. Futures and options on futures are offered through GigaTrade Trading, LLC a registered Introducing Broker with the National Futures Association (NFA).

Trading in futures and options on futures involves substantial risk and is not suitable for all investors. Investors should consider their investment objectives, level of experience, and risk appetite before trading.

Past performance is not indicative of future results. You could lose more than your initial investment. Before trading any products offered by GigaTrade Trading, LLC, carefully review all risk disclosures and consult with your financial and tax advisors to determine whether such trading is appropriate for you.

All information provided is for informational purposes only and should not be construed as a solicitation.

You should also be aware that electronic trading has inherent risks due to system response and access times which may vary due to market conditions, individual system performance, market volume and other factors.

GigaTrade Trading, LLC does not distribute research reports, employ research analysts, or maintain a research department as defined in CFTC Regulation 1.71. Material is provided for informational purposes.

GigaTrade Trading, LLC makes no representation or warranty as to the accuracy, completeness, or timeliness of the information on this communication and shall not be liable for any loss or damage arising from its use. This communication may contain links to third-party websites. Such links are provided solely for convenience and do not constitute endorsement by GigaTrade Trading, LLC
